

# Boudouin Fuh Suh

Full Stack Web Developer

## Profile

Enthusiastic Full Stack Web Developer with 5 years' expertise in ICT with HTML, CSS, JavaScript, ReactJs, NodeJs, NextJs. AWS Certified Solutions Architect, adept in DevOps (Docker, K8s, Jenkins, Terraform) and Google Cloud.

## Employment History

### Full Stack web developer at TUTORS Finland Oy, Helsinki

June 2023 — Present

- Successfully assumed the role of project lead for three distinct projects, steering them towards optimized results.
- Spearheaded the creation of a cutting-edge web application featuring a modern, responsive user interface, resulting in a notable increase in user satisfaction.
- Led collaborative efforts with fellow developers to ensure uniformity in code quality and strict adherence to industry best practices.
- Pioneered the implementation of a robust Continuous Integration/Continuous Deployment (CI/CD) pipeline, significantly reducing time-to-deployment and enhancing overall project efficiency.
- Developed and implemented automated testing procedures, contributing to improved code quality and a substantial reduction in production defects.

### Back-end developer at EXOVE Oy, Helsinki

March 2023 — May 2023

- Played a key role in a comprehensive HR management system project, showcasing active involvement and dedication.
- Developed a secure authentication system that met industry standards for data protection and privacy.
- Developed a RESTful API used by the frontend developers
- Optimized database queries to improve application performance and reduce response times.
